Your Alternative  
To The Obvious

## Photomultiplier Tubes

When your requirement is slightly out from the norm you can count on Pycko Scientific to procure, or suggest an alternative for, hard to source obsolete components.

### Applications

Pycko Scientific can supply photomultiplier tubes for use in a wide variety of applications including:

- Radiation monitoring
- Particle Physics
- Medical Imaging
- Low Light Spectroscopy
- Fluorescence Measurement

**Available from stock or sourced from leading manufacturers worldwide including current and previous suppliers like:**

- Thorne EMI
- Photonis
- Mullard
- RCA
- Philips

**If you outline your requirement we will see if we can supply the PMT you require or offer you an equivalent alternative.**
